CAZ POTTEN

Owner and Director

STAR Exeter is a British Council Accredited School, which has been offering English courses to students from all over the world for 45 years.

The school offers a very personalised service to all its students. From the fully qualified and experienced teachers to the office and welfare staff, everyone is committed to ensuring that your stay will be as enjoyable and beneficial as possible.

The School is situated in the centre of the university city of Exeter, surrounded by shops, restaurants, coffee bars, theatres and much more.

"I studied English at STAR Exeter two years ago and I couldn't wait to come back. The classes are a melting pot of different cultures, that give students the possibility to learn a bit more about other countries."

Veronica - Italy

"It's more than a school, it's like a family."

Firat - Turkey

The City of Exeter

Exeter is the capital city of the region of Devon in the south west of the UK, 2 hours 5 minutes from London by high-speed train. It is a beautiful and safe historic English city.

Founded 2,000 years ago, it has a population of 123,000. It is the central base for education, medicine, religion, commerce and culture in the region.

It is a vibrant and modern English city with something for everyone.

There are a lot of things to do in and around Exeter such as: shopping, restaurants, cycling, walking, canoeing, horse riding, history tours, beaches, football, rugby, dancing, boat trips and much more! Full of character and history, Exeter is a city where ancient meets modern.

"The school is in a lovely place where you have whatever you need around you within walking distance."

Rocio – Spain

"I like Exeter because it is a beautiful city."

Saud – Oman

"Not only do you learn English, you live with English!"

Firat – Turkey

Foundation Courses

INTERNATIONAL FOUNDATION PROGRAMME in Business, Computing & Engineering

The International Foundation Programme (IFP) has been specifically designed for international students who want to study for an undergraduate degree but do not have British A-level qualifications.

Students will have completed their secondary school education in their own country and are looking for a programme that will provide them with the English language skills and specific subject knowledge to embark upon undergraduate study at a UK University. The programme involves a significant amount of English language teaching.

Our Foundation Programme is an Ofqual regulated qualification.
